WOODINGTON LAKE
GOLF CLUB

Dear Golfers and Sponsors,

Wednesday, July 9th, 2025

On behalf of everyone at CANES Community Care, thank you from the bottom of our hearts for being part of our **20th Annual Charity Golf Tournament** on Thursday, June 19th at Woodington Lake Golf Club in Tottenham.

Even with the rainy weather, we hope the day brought moments of joy, connection, and a shared sense of purpose. Your presence and support meant so much to us – **and to the seniors we serve.**

Because of your generosity, this year's tournament was a tremendous success with a record number of **76 participants this year.** Your kindness helps us continue providing high-quality care services that enable seniors to live safely and independently in their homes.

We're especially grateful for your contributions toward providing nutritious meals for our clients during the holiday season – a time when compassion, community, and care are more important than ever.

We've shared highlights and acknowledgments on our website and social media, and we invite you to visit and share with your networks. You can visit our **Facebook page here**, or link to our **Website here** to view our photos from the day. Be sure to visit the sites of our **sponsors** as well.

Thank you once again for standing with us.

We can't wait to welcome you back next year!

Warm regards,
The CANES Community Care Team

**Congrats to
this year's 2025 Champs!**

Bringing Quality Care Home®
